## **Patrick Michael Martin**

(February 3, 1957 – December 28, 2007)

This newsletter is dedicated to the memory of Patrick Martin, an active member of ETWC for many years. Patrick passed away December 28, 2007. Patrick will be missed by all who knew him.

Patrick taught hundreds of folks of all ages how to paddle, and he instilled in each student and river companion love and respect for our east Tennessee and Appalachian Rivers. He exuded joy and love for life - especially life outdoors. He was our teacher and mentor, our inspiration, our safety net, our organizer, our entertainer, and above all - our friend. We miss him now, and as we carry on with our lives, we will miss him as the events and moments of our future pass without his catalyzing laughter, his instruction, his fascinating stories (were all those true??), his music, his helping hand, and his caring heart.

(Thanks to Cindy Kendrick for so eloquently putting into words our feelings about Patrick)

## Meeting Presentation

The presentation for the January meeting will be given by Billy Bob Scarborough. It will document through pictures and video, his most recent trip through the Grand Canyon.

**RELEASE AND WAIVER OF LIABILITY**

I, \_\_\_\_\_, desiring to join my fellow paddlers in the East Tennessee Whitewater Club (ETWC), do hereby declare that I fully understand and accept the following facts of life on the river:

1. Canoeing, kayaking, or rafting, particularly on whitewater rivers, exposes the participants to various safety hazards, including but not limited to, water hazards (boulders, undercut rocks, trees, strainers, water formations such as water falls, holes, keepers, hydraulics, and other obstacles), swimming in turbulent water, using paddling equipment, accidents or illness in remote places without medical facilities, and travel in a vehicle not driven by me.
2. No one but I am responsible for my safety when I choose to paddle a particular river or a particular rapid.
3. I further understand that I have no legal duty to assist others, nor does anyone else have a legal duty to render such assistance to me. I certify that I am in good physical condition, that I can swim, and that I have no physical defects or injuries that would prevent me from participating in this activity. I fully understand and agree that, when I participate in canoeing, kayaking, or rafting, there is always the possibility of unknown, uncontrollable dangers and accidental or other physical injury and death. I know I can be killed, and I willingly assume the risks referred to in Paragraph 1 and elsewhere in this release.

Therefore, in consideration for granting me the right to join and participate in ETWC activities, and intending to be legally bound, I hereby release, waive and discharge my right to sue ETWC, its trip coordinators, instructors, leaders, officers, directors, representatives, agents, employees, and affiliates, and also any landowner or governmental unit which may allow ETWC to use its property, for any and all loss or damage on account of injury to my person or property or on account of my death, which may occur during, in preparation for, or in transit to or from an ETWC activity.

I further understand that ETWC carries no insurance for the protection of participants in whitewater activities, and any insurance coverage existing with respect to ETWC shall not alter the terms of this waiver nor impose any liability on ETWC.

This waiver applies only to acts or omissions of ordinary negligence and to any deliberate act intended to promote my safety or well being.

This waiver is signed by me in the interest of permitting ETWC to exist and to serve the paddling community, and to enable me and my fellow paddlers to feel free to donate their services to improving the sport and to help in training those less skilled in the sport without fear of liability.

I HAVE CAREFULLY READ THIS RELEASE AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A RELEASE OF LIABILITY AND I SIGN IT OF MY OWN FREE WILL.
